

# Exciting News!!

## *Convert to Our New and Improved Human Capital Management Platform!*

**CSC Paymaster Inc. is pleased to introduce our new all-inclusive, single source Payroll, HR and TLM cloud based product.**

- ◆ **Single sign-on access** to payroll, time & attendance, HR and benefits information in real time with a customizable dashboard for more intuitive navigation.
- ◆ **A flexible, modular solution** that allows you to keep your current services and add additional functionality as you grow, so you only pay for what you need.
- ◆ **A comprehensive HR system** that addresses the complete employee life cycle—from hire to retire—and includes a free HR compliance library.
- ◆ **Automation of manual processes** with enhanced employee self-service, time off requesting, electronic onboarding, customized forms, workflows and email notifications.
- ◆ **Easy-to-use dynamic report writer** for custom reporting that you can make your own, save and export in Excel, CSV, PDF or Text formats and even schedule to receive via email
- ◆ **Profile-based customized security** with unlimited user access.
- ◆ **Geospatial tax identification** that obtains information on your employee's residence and work address to easily and accurately apply proper local taxes.
